Their Spurt Into Leadership Outstanding Happening of Baseball Year.

Philadelphia's Pitchers Showing Strain of Keeping Team at Top.

New York, July 6.—The outstanding feature of the baseball week just ended was the rise of the New York club to leadership in the National League race. The seven-day period, with its heavy schedule, including the Fourth's doubleheaders, was a history-making one in many respects. Coincident with the upward leap of the Giants came the fall of the Philadelphias, who dropped from first position for the first time since early in the season, and of the Brooklyns, whose pennant aspirations met a serious setback through drub-bings by Boston and New York. Chi-cago came up with a rush. The Giant charge, however, stands out as per-haps the most significant happening of the baseball year so far. Their week's

the baseball year so far. Their weeks record of seven games won and none lost, rounded out and unbroken string of eleven straight.

They have won twenty-six out of their last thirty-two.

Philadelphia's pitching staff is showing the predicted effect of the strain of keeping the club at the top, with Alexander and Seaton as the only really dependable members.

The story in the American League is almost the same from one week to another. Some weeks the Athletics play excellent ball and the next the quality is superexcellent.

Washington and Boston had one of the most interesting series of the week, the Senators coming out on the long end with four straight. Chicago and Cleveland held each other's pace. St. Louis and Detroit lost ground. The New Yorkers had a poor week of it.

Reports from Fittsburgh confirm to a great extent the fears that Wagner is about through playing as a regular. There seems danger also that Ty Cobbs injuries are more serious than was thought.

The record of the games played, won and lost in each league during the week, with runs, hits errors and men left on bases, is:

Chicago, July 6.—G. G. Cook, of the Chicago Athletic Association, won the Pentathlon here to-day, the concluding feature of the eight days of international athletic games. Cook won with nine points. F. W. Kelly, of the University of Southern California, was disqualified with F. V. Belote, of the C. A. A., for failing to finish the 1,500-metre rum. Kelly protested that he was crossed by Belote in a manner which deprived him of all chance to defeat Cook in the 1,500-metre, the final event. Cook was first in every event except the javelin throw, where he finished fifth.

J. C. Watson's Colt Wins.

Paris, July 6.—The Prix du President de la Republique was run at Maisons-Lafite to-day and won by J. C. Watsons chestnut colt, Predicateur. Vicomte d'Harcourt's Ecouen was second, and the same owner's Amadou third. The race was at one mile, four and one-half furlongs, and was valued this year at \$20,500. Predicateur was 24 to 10 in the betting: Ecouen, 28 to 10. Nine horses went to the post, including Bruleur, winner of the Grand Prix de Paris.

The Aero Club officials of America, the governing body of ballooning in this country, must examine the barographs of the various balloons, which all pilots have sealed and forwarded to New York. The exact distances covered by each balloon also must be computed on the aeronautical maps of the Aero Club. The fact that the nearest official measurements, made

Former Detroit Star Released by Clark Griffith-May Go to International.

New York, July 6.—George Mullin is no longer a member of the Washington team. The former star of the Tigers was notified to-day of his release and given the usual ten days notice. Mullin will go to either the Montreal or Buffalo club of the International League. Both are negotiating with Manager Griffith for the pitcher, and it is most likely that the deal will be closed within the next twenty-four liours.

he closed within the next twenty-four hours.

After giving Mullin several opportunities to prove that he was still capable of holding his own in the major leagues, Griffith came to the conclusion after seeing him pitch against New York yesterday that his days in this company are over, and immediately made arrangements to get rid of him.

Chicago, July 6.—Matt McGrath, of the Irish-American A. C., New York, threw the sixteen-pound hammer 188 feet and 4 inches, at the revival of the Taliton Irish games here to-day, breaking his own worlds record of 187 feet 4 inches. The long heave will not stand as a record, as it was not measured with a steel tape. McGrath's throw was made as an exhibition before the I. I. C., the star not competing in the games.

ley and Berkley Thurston, of Richmond, were married here to-day by Rev. J. A. Thomas, of Cumberland Street Methodist Episcopal Church. The ceremony, which was performed at the home of the officiating minister, who, by the way has earned the soubriquet of "the marrying parson," was the culmination of a rather unusual courtship which lasted but two weeks, but was the second courtship as well

as marriage ceremony in which they were the principals.

Three years ago, they told Mr. Thomas, they were married in Richmond. Three weeks ago they were divorced, the decree being given by consent. Two weeks ago Mr. Thurston in Norfolk, and, armed swith a marriage license, sought Mr. Thomas, who in the cunited the reconciled pair.

Mr. and Mrs. Thurston left last evening for Richmond.

Cleveland, July 6.—Tyrus Raymond Cobb is a bench warmer for the Detroit Tigers. Injury has laid him low.

Just how long Ty will be out of the game neither he nor any one else knows. The Georgia peach is wearing a careworn expression, for he fears his injury may be permanent.

Ty's hurt is a bad spike wound on the right knee. His knee is swollen to twice its normal size, and he walks and runs with difficulty. During the Detroit-Chicago series recently Ty was spiked by Weaver. He stuck in the line-up day after day until the Fourth simply on his nerve alone. Cobb went home to Detroit last night when the team left for St. Louis. He will have an X-ray pleture taken to find out if the top of the right kneecap is slightly cracked.
